## OFFICIAL REINSPECTION SERVICES AND REVIEW OF WEIGHING SERVICES

## § 800.125 Who may request reinspection services or review of weighing services.

(a) *General.* Any interested person may request a reinspection or review of weighing service, except as provided for in § 800.86(c)(5). Only one reinspection service or review of weighing service may be performed on any original service. When more than one interested person requests a reinspection or review of weighing service, the first person to file is the applicant of record.

(b) *Kind and scope of request.* The kind and scope of a reinspection or review of weighing service will be limited to the kind and scope of the original service. If the request specifies a different kind or scope, the request will be dismissed. The request may be resubmitted as a request for original services. Official criteria are considered separately from official grade or official factors when determining the kind and scope. When requested, a reinspection for official grade or official factors and official criteria may be handled separately even

though both sets of results are reported on the same certificate. Moreover, a reinspection or review of weighing may be requested on either the inspection or Class X weighing results when both results are reported on a combination inspection and Class X weight certificate. Reinspections for grade shall include a review of all official factors that (1) may determine the grade; or (2) are reported on the original certificate; and (3) are required to be shown.
